Evolution® Deluxe 6161 Full Brim Hard Hat with HDPE Shell

Features:

- High-Density Polyethylene (HDPE) shell with a full brim, providing additional protection against sun, glare, rain and falling debris
- Extended back brim helps protect neck and ears from the sun's UV rays, as well as a run-off for rain and snow; short front brim shades the face, while allowing excellent visibility
- Brim includes finger grips on front and rear, as well as a textured underside to reduce reflection / glare
- 6-Point suspension system with polyester textile straps offers unrivaled comfort without compromising performance
- Unique "3D Adjustment" provides a precise fit using harness depth settings...unlike any other hard hat on the US market today
- Revolution™ Wheel Ratchet is easy to use and creates a firm comfortable fit
- Can be customized with your logo
- Other colors and styles available

6-Point Polyester Suspension and Wheel Ratchet Adjustment

DES-CASE® Desiccant Breather

Every Des-Case® desiccant breather is manufactured in a durable, shock-absorbing, clear plastic casing with resilient qualities to withstand the customary abuse associated with heavy manufacturing equipment. The units are disposable and manufactured entirely of environmentally safe components.

Features:

- Minimizes additive stripping and sludge buildup
- Prevents water contamination of fluid
- Prevents rust-forming condensation
- Increases oil and filter life
- Color indicator for easy system monitoring
- Bi-directional, controlled airflow
- Multi-tiered filtration process
- Water vapor adsorbent
- Resilient, polycarbonate plastic body and nylon standpipe

SCRUBS in-a-Bucket Hand Cleaner Towels & Refills

SCRUBS® Hand Cleaner Towels combine an advanced cleaning formula with a strong, dual-textured towel to thoroughly clean hands and surfaces ANYWHERE, ANYPLACE, ANYTIME!® The clean, citrus-scented formula loosens and dissolves industrial soils while leaving hands free from dryness and irritation. The Rough Touch® blue towel locks in soil to prevent it from transferring back onto hands and surfaces. Hands are left feeling clean with no sticky residue and no rinsing required.

NEW PRODUCT

Refill Pack:

The newly available SCRUBS® Refill Pack is designed to reduce plastic waste by 83%! This refill pack not only supports your sustainability efforts but also helps lower disposal fees.

Features:

- Clean, citrus fragrance
- Advanced cleaning power
- For use on hands and surfaces
- No sticky residue

Stokoderm® Sunscreen ^{PURE} Broad Spectrum SPF 30

Broad spectrum fragrance-free and dye-free, water-resistant SPF 30 sunscreen for professional use to protect the skin against harmful UVA, UVB and UVC rays.

Features:

- Sun Protection Factor of 30: Sun Protection Factor of 30 provides 30 times the skin's normal protection against the sun's UVB rays
- Protection from UVC rays: Provides protection when exposed to UVC rays created artificially during some industrial processes (e.g. welding)
- Lineman's Glove Test Compatible: Safe to be used by electricians wearing electrical insulating gloves
- Water Resistant Formula: Water resistant up to 80 minutes
- Non-Greasy Formula: Quickly and easily absorbs into the skin. Encourages regular use; helps to not affect dexterity with handheld tools
- Contains Vitamin E: Helps soothe and condition the skin
- Fragrance-Free and Dye-Free: Designed for people who are sensitive to fragrances and dyes and who prefer products which do not have these added
- Dermatologist Tested: Patch testing shows the product to be non-irritating in use
- Made Without Oxybenzone and Octinoxate: Complies with Hawaii Act No. 104 (2018) and Key West Sunscreen Ordinance, banning sunscreens that contain Oxybenzone and Octinoxate

LOCTITE® SF 7840 Water-based, Biodegradable Cleaner

LOCTITE® SF 7840 is a concentrated, biodegradable cleaner that contains no hazardous solvents and dilutes with water to serve a wide range of industrial cleaning applications. Typical applications for this product include engines, motors, castings, valves, bearings, tanks, machinery, windows, carpets and concrete floors. The product can remove grease, lubricants, cutting oils, fuel oils, tar, road salt, light carbon, food stains, wax, animal fat, mildew and soot.

Features:

- Biodegradable
- Solvent free, non-toxic and non-flammable
- Can be diluted with water
- Removal of grease, oil, cutting fluids and workshop grime

LOCTITE® PC 7332 Nordbak® Wear Prevention Coating

Features:

- Fine particle abrasion resistance <1/16"
- For wet or dry applications
- Extreme protection and life extension of your equipment for slurry applications
- Excellent sag resistance for high build in vertical applications

Item No.	Mfr. No.	Color
118809351	2751067	Gray

LOCTITE® PC 9593 Nordbak® Fast Cure High Impact Wearing Compound

Features:

- For coarse particle abrasion resistance >1/16"
- For wet or dry applications
- Extreme protection of your equipment from large particle impact and abrasion
- Excellent sag resistance for high build in vertical applications

Item No.	Mfr. No.	Color
118809352	2755354	Blue

LOCTITE Fixmaster Crack Filler SL

Features:

- Two-component, rapid curing 1:1 ratio, polyurea joint filler
- Designed for heavy-duty traffic and freezer applications
- Self-leveling, 100% solid, low viscosity, flexible system that provides 10 to 15% movement of installed joint width
- Can be applied at temperatures between -40 °F to 120 °F

Color: Gray
Container: Cartridge

Maintenance Supplies

LOCTITE Threadlocker

Suited for a wide range of applications from delicate electronic components to heavy industrial equipment, Threadlockers increase the reliability of threaded assemblies. The new Pro Pump provides clean, efficient and repeatable dispensing of LOCTITE Threadlockers.

Features:

- Lock nuts and bolts against vibration and thermal expansion
- Seal against corrosion and leakage
- Suitable for all shapes and sizes of fasteners
- Act as a thread lubricant
- High chemical resistance

Item No.	Mfr. No.	Size (mL)
100869835	1329467	50
100869844	1330585	50

LOCTITE LOCTITE PC 4400 Paint Protect & Restore Coating

Protects, restores and extends the life of painted surfaces. This 1-part clear coating can be applied directly over existing paint or onto a newly painted surface. It eliminates the lost time and quality risks associated with 2-part coatings and extends paint life by up to 10 years.

Features:

- Better corrosion protection
- Easy to clean
- Repels water, dirt, oil and algae
- Overall better appearance thanks to paint restoration

Item No.	Mfr. No.	Size (Liter)
117781725	2573885	1.1
117024761	2573975	3.8

ZIRCON INDUSTRIES, INC. Latex 100 Static Dust Control Sealant

Dust control product which creates a thin, transparent acrylic membrane over surfaces.

Features:

- Clear acrylic sealant blended to last for weeks to a year or longer
- Ideal for areas with wind erosion, static or stockpile dust

Item No.	Mfr. No.	Container Size
101510047	LATEX055	55 gallon drum
110601471	LATEX330	330 gallon tote

LOCTITE PC 9410™ Magna-Crete™

A two-component, rapid-setting concrete repair and grouting system that bonds to concrete, wood, glass, steel and other construction materials.

Features:

- 13,000 psi when fully cured, can be used for -15°F
- Resistant to most common fluids and chemicals
- Ready for pedestrian traffic in 30 minutes
- Ready for light vehicle traffic in 1 hour or less at 80°F

Item No.	Mfr. No.	Size (gal)
100868225	235572	1
100868226	235573	5

Functional Cure: 24 h
Cure Speed Time: 24 h
Working Time: Fast setting with working times from 5 to 20 minutes depending on air temperature
Color: Gray
Container: Kit

ZIRCON INDUSTRIES, INC. ZHP Water Wetter

Features:

- Breaks the surface tension of water, so it won't bead up, roll off or quickly evaporate
- Economical and completely environmentally safe
- Non-ionic surfactant and resin extender greatly improves effectiveness of water
- Water instantly spreads, penetrates and retards evaporation
- Delivers the dust control properties you need
- Perfect solution for industries like aggregate, mining, utility, steel, trucking and lumber yards
- Dilution: (1) gallon water wetter to 2000 gallons water

Item No.	Mfr. No.	Size (gal)	Container
101468826	ZHP055	55	Drum
104374690	ZHP330	330	Tote

ZIRCON INDUSTRIES, INC. Glycerin DC100

Safe, effective, and economical "do-it-yourself" dust control solution to control dust on unpaved roads.

Features:

- Glycerin is a byproduct of biodiesel manufacturing; it is 100% food derived from soy oil
- 100% biodegradable/safe for aquatic life
- One 330-gallon tote covers approximately 13,000 sq. ft. and lasts 3-4 weeks; subsequent applications provide residual enhancement
- Mix 50/50 with water. Apply at a rate of one gallon to 20 sq. ft.
- Intermittent watering or atmosphere moisture will maintain product activity
- Subsequent applications can go to one gallon to 40 sq. ft. for a total coverage of approximately 26,000 sq. ft per tote

Item No.	Mfr. No.	Container Size
120606376	GDC055	55 gallon drum
118945484	GDC330	330 gallon tote
