Applied® has partnered with Guardian Innovations to bring you non-medical personal protection masks that are made from three layers of soft non-woven material with elastic ear loops. They're suitable for personal protection use both at home or work and can be used indoors and out. This comfortable mask helps filter air pollution, dust, smoke, germs and pollen.

CDC Disclaimer (April 3, 2020)

The CDC recommends wearing cloth face coverings in public settings where social distancing measures are difficult to maintain (e.g. grocery stores and pharmacies), especially in areas of significant community-based transmission. The CDC also advises the use of simple cloth face coverings to slow the spread of the virus and prevent people who may have the virus and not know it (asymptomatic carriers) from transmitting it to others.
